

## Graduation photos, August 2015

---

**Congratulations to our new graduates: great work, well done, and we hope you had a fantastic day.**

Graduates often leave Dunedin, but their graduation ceremony is the beginning of lifelong membership of the University of Otago.

We warmly welcome all new graduates to the Otago alumni community.

In August, 381 graduands walked across the graduation stage to become alumni, while 558 graduated in absentia. This ceremony also boasted 74 doctorates - the most ever awarded in August, reflecting a steady upsurge in the number of people undertaking PhD and other doctoral study at Otago. **[Read the full ODT article.](#)**
