**Congratulations to our new graduates!**

**Welcome to the Otago Alumni community.**

No matter where in the world you go, you take your University of Otago education with you. If we know your contact details, we'll keep in touch.

Graduation ceremonies are full of gravitas, but there are lighter moments as well! Check out this video and Stuff article about new graduate Jordan Tua - **Man loses bet and dances onstage**. The video has been viewed more than 24,000 times within a few days of his graduation dance.

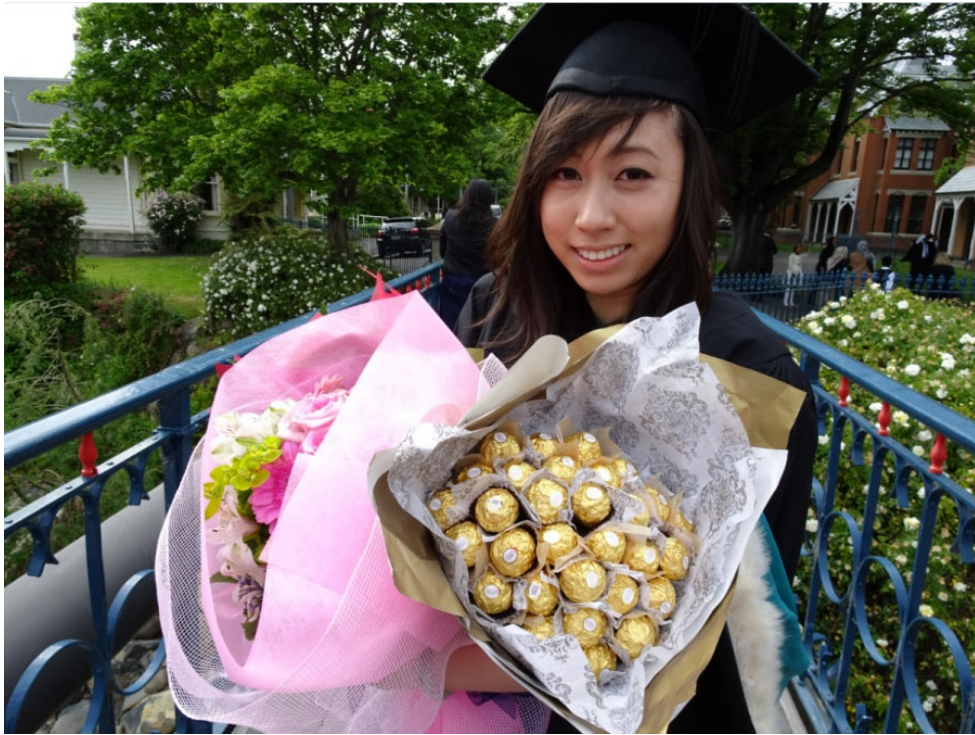

Below are some special moments from the December graduations. You can check out more great graduation photos on our **[Otago Alumni Facebook page](#)**

*The graduation brunch. The brunch is now held for every graduation in the University Link Building, and we welcome friends and family to join us. This December we had three graduation ceremony days, and at each brunch, approximately 2,000 graduates and their loved ones attended.*

We took more than one hundred photos of December 2015 graduates on their special day. You can check out more photos on our [\*\*Otago Alumni Facebook page.\*\*](#)
